Enclosed is a formal request for membership in the American Numismatic Society as an Associate.

At present I have charge of the flag section of the office of The Quartermaster General of the Army and the design and manufacture of medals, badges, and insignia. Dear Mr. DuBois:

It gives me great pleasure to inform you that upon the nomination of Col. de Witt Clinton Falls, you were unanimously elected an Associate Member of this Society, at the meeting of the Council which took place on Friday last.

We are very glad indeed to add your name to our Membership list, and trust that we may see you at our Museum at no very distant date, at which time please make yourself known to us that we may welcome you and be of any service to you in a numismatic way.

Very truly yours,

Mr. Sydney P. Noe, Secretary,
The American Numismatic Society,
Broadway, between 155th & 156th Sts.,
New York, N. Y.

My dear Mr. Noe:

It gives me pleasure to enclose the dues for the year 1926.

Not knowing all of the benefits that may be derived by being associated with the Society, I shall have to plead guilty by asking a few questions. I understand that the Society specializes in decorations, medals and coins, but I do not know whether the collection or interest extends to seals, such as state and city.

At the present time I have great need for illustrations, impressions or descriptions of the city seals of the United States. I am endeavoring to make such a collection and thought that it might be possible that you have some data on the subject.

Very truly yours,

Arthur E. Dubois

Washington, D.C.

Dear Mr. DuBois:

Your favour, with enclosed cheque for dues, at hand.

The Society has never gone into Seals. However, a short time ago we were presented with, as far as I am able to judge, a really remarkable collection of State seals, but with no City seals.

We may be able to help you out with the City seals now and then, if by chance we have a medal showing such a Seal.

When you happen to be in New York, we should be very glad to have you call here, and we could then place at your disposal anything we may have which would interest you along that line. Or, should you care to write me about any specific place, I should be glad to tell you what I can about it.

Very truly yours,

My dear Sir,

I regret having overlooked
your first notice that my dues
hadn't been paid. I trust however
that the enclosed check will
straighten out the matter.

I would appreciate it if you
will change my address in your
records to the above instead
of 3317 Holmead Place.

Very truly
